vs.

Defendants,

Case No.: CV13 5948

MEMORANDUM

**MEMORANDUM IN SUPPORT OF ANSWER TO DEFENDANTS
MOTION TO DISMISS DEFENDANTS**

PLAINTIFF Timothy Dietz files this memorandum in support of his answer to Defendants motion to dismiss Defendants, stating:

ISSUE

1. During the time from filing Plaintiffs complaint and filing this motion to dismiss Defendants, new discoveries have been made. These new discoveries have given rise to more complex arguments, questions and causes of action. In the interest of justice, and mindful of the Courts resources and time, a more careful evaluation of all the issues now being presented must be asserted as not to undermine our justice system.
2. From these new findings a more definite pleading needs to be considered that include fraud, misrepresentations that also affect the public, lack of standing, securitization and abuse of authority.
3. To preclude amending a complaint in haste, the Plaintiff must motion the court to dismiss Defendants Wells Fargo Home Mortgage, Wells Fargo Bank, N.A. and Mortgage Electronic Registrations Systems, Inc. without prejudice.
